

INSTRUCTIONS TO ENSURE THE COURSES OF THE WINTER SEMESTER OF THE AKADEMIC YEAR 2020/2021

6TH YEAR

Classes begin on **September 16, 2020** and will take place exactly according to the original schedule in full-time form.

1ST - 5TH YEAR

Classes begin on **September 28, 2020** according to the valid schedule and schedule, that is the third week. Missing classes for the period **from 16th to 28th September** (weeks 1st -2nd; lectures, seminars) will be replaced by a distance form so that students receive presentations in electronic form (not online presentations), with the possibility of consultations on these topics during consultation hours. The content of the omitted practical exercises, internships can be inserted into practical exercises and internships running according to the schedule from the third week. Lectures and seminars in the period from **28th September** can be given in the distance form (on-line) or in the classical full-time form, all according to the decision of the heads of pedagogical departments (coordination and technical support need to be ensured). The teaching, which will take place in the distance form, must take place in the valid dates according to the schedule, while until **12th September 2020, 12.00 hrs.** it is necessary to report to the dean's office (dekanat.lf@szu.sk) the dates in which full-time teaching will be changed to distance learning. Practical exercises and internships will take place in a classical full-time form.

All anti-epidemic measures, including all guidelines of the SMU crisis staff, which are published on the SMU website, must be strictly observed in any full-time teaching.

POSTGRADUATE EDUCATION

Specialization study and certification preparation will take place in a standard way according to the valid schedule.
