INFORMATION ON PARTICIPATION IN THE II INTERNATIONAL OLYMPIAD "MASTERY OF AESTHETIC RESTORATION IN DENTISTRY"

Samarkand State Medical University, sponsored by **Ivoclar Vivadent** (Germany), invites students of medical universities to take part in the II-International Olympiad "**Mastery of Aesthetic Restoration in Stomatology**" in the direction - Therapeutic Stomatology, which will be held on May 20-21, 2022.

The grand opening of the Olympics will take place on May 20, 2022.

The purpose of the Olympiad is to stimulate and support the professional and personal development of talented young people among future dentists, to create opportunities for the manifestation of potential in research and creative activities.

Participation requirements:

The supervisor for the competition can prepare no more than 3 students.
Mandatory registration of the application for participation.

The Olympiad includes 3 stages:

I - stage

- **Testing** (time: from 14:00 to 15:00).

Number of questions: 30

Time: 30 minutes

A student who scores less than 50 points (maximum 100 points) does not pass to the next stage.

II - stage

- **Oral questioning.**

Maximum score: 50 points (time: from 15:00 to 18:00). Time limit 5 minutes.
Consists of two subcategories:

1. Question on discipline (1 question), maximum number of points: 25 points. Theoretical knowledge is tested in all sections of the specialty - Stomatology, in the amount of mastering the material;

2. Solution of situational tasks (1 task), maximum number: 25 points. Participants will be offered clinical situational tasks, during the solution of which it will be

necessary to make a diagnosis, conduct a differential diagnosis and draw up a plan for complex treatment.

III - stage

-Assessment of practical skills (1 practical skill).

Maximum points: 50 points.

Time limit 30 minutes.

The contestant must demonstrate the skills of professional activity. Participants of the Olympiad will be offered clinical situations, the solution of which will be evaluated in the form of manipulations on phantoms.

Summarizing.

The answers of the participants will be evaluated by a team of international jury. Due to the fact that the 1st stage is a qualifying round, the winners and prize-winners of the Olympiad will be determined by the total number of points scored in the 2nd and 3rd stages, where, according to the results, the maximum score should be: 100 points.
