FEE related to the admission procedures administration: 77 €

ACCREDITED DOCTORAL PROGRAMMES OF EDUCATION (education in the English language) to which the Faculty of Medicine of Slovak Medical University will admit students for the academic year 2018/2019:

Study programme (joined 1 st and 2 nd level)	Form of study	Academic degree acquired	Duration of study (in years)	Planned number of admissions
General Medicine	full-time	„MUDr.“ doctor of general medicine	6	30

TUITION FEE for the academic year (education in the English language): 9000 €

SUBJECTS OF ENTRANCE EXAMINATION:

BIOLOGY (80 questions), CHEMISTRY (80 questions) – within secondary grammar school curriculum scope.

The entrance examination in the English language is written in the form of a test, the total of 160 questions. The time duration provided for elaboration -150 minutes. Maximum score is 640 points. The entrance examination is contents-wise identical with the entrance examination for the educational programme of general medicine in the Slovak language.

ADMISSION REQUIREMENTS FOR THE DAILY FORM OF STUDY (education in the English language)

- successful completion of entire secondary education or entire secondary vocational education
- successful completion of the entrance examination (the criterion for the admission to an educational programme in the English language is normally 70 % point score in the written test which includes an applicant having taken the entrance examination in the planned number of admitted students),
- meeting the prescribed health criteria related to the performance of physician profession

Invited to the entrance examination is only the applicant who has submitted a properly filled in and signed application form together with the required documents attached and the fee for the admission procedures paid by the set deadline.

ENTRANCE EXAMINATION RESULTS EVALUATION

Each applicant will choose their own code by lot under which the tests are evaluated. The computer allocates numbers of points and applicant's succession. The results are published on the website of university and faculty. The criterion for admission is the number of points acquired in the written test.
