

Binding guideline for examination period in the Summer semester 2020/2021 for the Study Programme - General Medicine

Valid from 29th of April, 2021

In consideration of the current epidemiological development, the Management of the Faculty of Medicine of the SMU regulates the examination period as follows:

1st -3rd year: General Medicine:

Exams will be performed in the distance form* in the form of an oral answer and / or a test according to the original schedule of the Faculty of Medicine for the academic year 2020/2021.

PRE-TERMS EXAMINATION: 17.05.2021 – 21.05.2021

Dates will be published through the MAIS by 13th May 2021 (included).

EXAMINATION PERIOD: 24.05.2021 – 02.07.2021

Dates will be published through the MAIS by 17th May 2021 (included).

* For the distance form of the examination, it is necessary that each student has a functional smartphone or laptop with a functional camera (with a sufficient source of energy) and a room in where will be alone and not disturbed by anyone. This will be proved by the capture a camera, which will be located to capture it throughout the exam, so that it can be show that participant is alone in the room throughout the exam and has no way to search for information in any way. The student also proves himself/ herself with an ID card or a student ID card. Students, one by one will choose questions and answer them immediately, without written preparation. The head of the pedagogical department is responsible for the logistics.

4th – 5th year: General Medicine

Exams will be performed in person ** according to the original schedule of the Faculty of Medicine for the academic year 2020/2021.

PRE-TERMS EXAMINATION: 17.05.2021 – 21.05.2021

Dates will be published through the MAIS by 13th May 2021 (included).

EXAMINATION PERIOD: 24.05.2021 – 02.07.2021

Dates will be published through the MAIS by 17th May 2021 (included).

The examiner may decide on the distance form of examination but only in the case of the written test or if it has been used even before the crisis.

STATE YEAR – 6th year: General Medicine

Final State examination will be performed in person ** according to the original schedule of the Faculty of Medicine for the academic year 2020/2021.

DATES OF FINAL STATE EXAMINATION: according to the planned schedule.

** The Final State exams will be running in person, in compliance of all anti-epidemic measurements to ensure the smooth running of the winter semester of the academic year 2020/2021 listed on the SMU website (the participant must not have symptoms of infectious and respiratory disease, must not be in quarantine, must have a facial mask, disinfect hands before entering the room, the room must be ventilated, the number of people in the room will be limited). **Participants who will take exams in person must show a proof of the negative result of the RT-PCR test or the relevant antigen test not older than 7 days, or relevant evidence of overcoming COVID-19 infection a maximum period of 180 days or confirmation that you are vaccinated by both of dose minimum 2 weeks before your exam.**

29. 04. 2021
